Are YOU ready to unlock your team's full potential?

Our 4-month leadership
program transforms
managers into exceptional
leaders who drive results and
inspire their teams.

The 5 Proven Pillars of Leadership

Personal Development Cultivates a growth mindset to unlock leadership potential

Emotional Intelligence Enhances emotional awareness for better communication.

Servant Leadership Creates a positive, empowering work environment

Intentional Connections Build strong relationships that foster collaboration

Strategic Leadership Makes effective decisions under pressure.

4 Month Program Details

8 Group Coaching Sessions

Participants collaborate with peers, gain actionable insights, and grow within a supportive leadership community.

4 Individual Coaching Sessions

Participants benefit from coaching that amplifies their strengths and addresses growth opportunities.

Structured Online Course

5 comprehensive modules with 3 lessons each offer practical strategies that leaders can immediately implement.

Certificate of Completion

Participants must meet all course requirements to achieve certification.

What Clients Are Saying

"My time in the course, paired with Claire's coaching, was an incredibly rewarding experience. Her thoughtful approach helped me sharpen my leadership skills, develop a deeper self-awareness, and instill greater accountability within my team. I feel more prepared than ever to lead with purpose, clarity, and a shared sense of responsibility."

Dane Pellicone

Director of Ops, AWE Tuning

"Claire is exceptional in coaching our newer executive team members, equipping them with advanced emotional intelligence skills to supercharge their effectiveness as leaders. Her innovative techniques build engagement and drive results, cultivating a healthy, sustainable culture that really accelerates our business success."

Todd Sager

President/CEO, AWE Tuning

What Clients Are Saying *(continued)*

"Claire has played a pivotal role in facilitating my transition into my new leadership position. She equipped me with effective problem-solving techniques, reducing stress levels, particularly in the face of new situations and circumstances beyond my control."

Brittany Murray,
Lead Designer, Custom Craft Builders

"Claire's exceptional business coaching and leadership training have been pivotal to our growth. She guided me in building a trusted executive team, and thanks to her expertise, my lead designer has stepped up as my right-hand person. Her impact on our team and overall strategy has been truly transformative."

Mike Foering,
President, Custom Craft Builders

About Claire

With over 30 years of executive-level corporate experience, including growing a multimillion-dollar enterprise to \$16 million annually and managing 250+ employees across the US and UK, I now dedicate my expertise to empowering leaders as a certified business and leadership coach. As a Certified John Maxwell Leadership Coach, I specialize in helping business owners and emerging leaders develop:

Effective Leadership Skills

to inspire and guide teams

Strategic Thinking

for actionable growth and long-term success

Emotional Intelligence

to build stronger connections and resilience

Work-life Balance Strategies

to achieve personal and professional harmony

"Few people are born leaders, but many can learn to lead with purpose and success. With the right training and support, we can unlock their potential to inspire and lead with confidence." Claire Kohler
